Representative Steve Hilgenberg
Steve Hilgenberg for State Assembly
4645 County Road Z
Dodgeville, WI 53533

Dear Rep. Hilgenberg,

Although our personal attention has been on the race for the 51st Assembly seat, many residents of the district are just now beginning to focus on state issues and the unique challenges that face our state. Due to the importance of allowing voters to make informed decisions, I am proposing a series of five forums/debates to take place in September and October.

Our campaign has selected a geographic representation of municipalities to hold the events and a proposed schedule. Our campaign schedule is always evolving and we realize that yours is as well. Thus, we would be willing to entertain specific dates that fit best into your schedule. Format, time, location, and moderators are all open to agreement. The proposed schedule is as follows (tentative date in parentheses):

Buena Vista Township – Week of September 15 (September 17)
City of Darlington – Week of September 22 (September 24)
Sauk Prairie – Week of September 29 (October 1)
Plain – Week of October 6 (October 8)
Dodgeville – Week of October 20 (October 22)

In order to get this information out to voters it is important that we confirm these dates and locations immediately. I ask that you or a representative of your campaign contact our campaign via phone (608-206-9797) or email (information@russellforassembly.com) by September 2.

PO Box 38 • Sauk City, Wisconsin 53583 • 608/206-9797

Authorized and Paid for by Russell for Assembly, John Meyers, Treasurer

I have appreciated the cordial attitude that we have given each other and believe that it can and will carry over into these events. I look forward to your quick response and agreement to participate in these important events.

Sincerely,

Nathan Russell
